Lance reported team 2 has 80 EQIP applications for the sign up. The Coeur D' Alene office has about 60 applications. 85% are forestry, 15-20% are forest management plans. Lance mentioned there is a new pathway student that is hired and is hoping to use her for our NACD grant.

Katie Yoder reported that there is a new CREP manager. Katie stated that the Government announced in their budget there would be no money allocated to Water Quality Program for Agriculture (WQPA).

Kylie Daman reported that we withdrew our application for the CDA Lake Project because we could not reach landowner's or find new ones to make up the footage we needed to continue with the grant. Kylie said more funds may be coming later and that we can apply for a 319 grant in the spring. Ryan McNair with IDL was on so the Chairman allowed him to discuss the upcoming opportunity for the District to take part in a grant proposal.
