MAKE CHECKS PAYABLE TO: BENEWAH SWCD

MAILING ADDRESS: 900 E STREET, PLUMMER, ID 83851

Full payment is due at time of order.

Tax exempt customers must provide their State tax exempt form along with their order.

There are no refunds on trees that are not collected.

Pickup notice is given via email/phone. Trees are usually ready for pickup in early April.

Due to the nature of growing seedlings, at times there will be shortages. When possible, comparable seedlings of the same species will be substituted. This may mean a slightly smaller or larger plug. If we are unable to secure an acceptable alternative, you may choose a refund or have your order held and filled next season.
